MARY GARDEN MAY YET BECOME NUN

MARY GARDEN

NEW YORK, October 5.—Miss Mary Garden has written to a friend in New York to the effect that when she returns from the stage in two or three years she intends to take the veil and enter a convent. At present, while she is singing at the Opera in Paris, she is devoting her spare time to religious studies, being sure that she will end in a retreat.

Prince Mavrocordato is still said to be very attentive to the singer, but Miss Garden still says she has decided never to marry.

There are many incidents in Miss Garden's life not unlike those of George Moore's famous heroine, Evelyn Innes, herself an opera singer. Miss Innes, it will be remembered, after a successful career on the stage and a series of love affairs, took the veil and became Sister Teresa.

Recently Miss Garden said that she thought her career on the stage would end in about three years. Then, apparently, it will be marriage or the veil.

Powell left at 2:30 o'clock for a wedding trip, the destination not being given.

Dr. Powell is a prominent young physician and member of the Chamber of Commerce of Petersburg. He is a lineal descendant of William Claiborne, one of the Colonial Governors of Virginia, and a son of A. T. Powell, of Dinwiddie, a prominent attorney, and Commonwealth's attorney for that county for twenty-five years.

The bride is a young woman of charming personality and literary attainments. She is a granddaughter of the late Colonel Edmund Early, and a near relative of General Jubal A. Early and Bishop John Early, of Lynchburg.

GRAND JURY RETURNS THREE INDICTMENTS

Savage Distilling Company, Its President and Employee Indicted--Soft Drink Dealers in Winchester Arrested.

[Special to The Times-Dispatch.]

WINCHESTER, Va., October 5.—After being in session two days investigating charges worked up by agents of the Anti-Saloon League against the Savage Distilling Company, of Kernstown, the grand jury of the Circuit Court to-night returned three indictments against the company, Joseph H. Savage, its president and general manager, and "Buck" Fultz, an employee. The company was indicted on twenty counts, Savage on nineteen and Fultz on six counts. Heavy bond was given the defendants. Seventy witnesses gave testimony.

The manager of every soft drink establishment in Winchester, with one exception, was arrested late this afternoon, charged with violating section 23 1-2 of the Byrd liquor law, which the Supreme Court of Appeals recently declared to be constitutional. The men were lined up in court to-night and gave bond for appearance at hearing to-morrow.

The section referred to prohibits the sale of near-beer in lots less than half dozen bottles and not over four dozen. It is claimed that the men arrested have been selling single bottles over the counter in spite of the Supreme Court's decision. The penalty for violation is \$500.

MAX HIRSCH'S SISTER BITTER AGAINST HIM

Widow of Man Whom He Slew Goes on Stand and Gives Damaging Testimony. Sad Family Mix-Up.

HARRISONBURG, Va., October 5.

Max Hirsch was arraigned this morning for the killing of his brother-in-law, Louis Isaacs, on July 29 last, the case having been postponed from yesterday owing to the illness of the widow of Louis Isaacs.

The opening statements showed that the Commonwealth will try to prove a case of murder in the first degree, while the defense maintains that Hirsch acted in self-defense. Isaacs was killed by being struck over the head with a board in the hands of Hirsch. Louis Isaacs' widow is the sister of the accused, and her position in the matter has been anxiously awaited. She took the stand to-day, and was bitter in her testimony against her brother, the prisoner. Mrs. Arthur Hirsch, who was the sister of Louis Isaacs, and married a brother of the accused, was also on the stand and very bitter. It is a sad mix-up, a brother and a sister having married a brother and sister, and the families are torn asunder. There was nothing spectacular or dramatic about to-day's proceedings, though the evidence was quite damning to the accused.

Jack Lee, the noted criminal lawyer of Lynchburg, is assisting in the defense of Hirsch. The case will probably last four days.
